

DECLARATION OF COVENANTS, CONDITIONS, AND
RESTRICTIONS FOR GLENRIDGE,
A RESIDENTIAL COMMUNITY IN THE CITY OF NORMAN,
CLEVELAND COUNTY, OKLAHOMA.

THIS DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS, GLENRIDGE
ADDITION, SECTION 1, is made this 2nd day of 6c.-fo-v, 2013, by L&S
DEVELOPMENT II, LLC (the "Declarant").

1.0 Introduction. The Declarant has filed of record this Declaration in order to set forth the covenants, conditions, and restrictions by which the GLENRIDGE ADDITION, SECTION 1, ("GLENRIDGE" or the "Addition") shall be governed, administered, and maintained as a high quality single family residential community. The GLEN RIDGE PROPERTY OWNERS ASSOCIATION (the "Association", or the "GLENRIDGE ASSOCIATION" or the "POA") is an owners association comprised of all owners of real property in GLENRIDGE. The GLEN RIDGE ASSOCIATION has the power to establish rules for conduct, activities, and design approval for all properties within GLENRIDGE. It is noted that the Developer may change the name as the Addition is marketed and publicly referred to hereafter. As one example, the term GLENRIDGE may be interchanged with WINDSTONE. Such change in the name of the Addition as publicly marketed and managed shall not in any way affect the enforcement or application of these Declarations and related documents and filings.

1.1 Purpose and Intent. Declarant, as the owner of the real property described in "EXHIBIT A" and pursuant to 60 O.S. § 851 et seq., intends by way of this Declaration to create a general plan of development for the planned community known as GLENRIDGE. This Declaration provides a flexible and reasonable procedure for future expansion of GLEN RIDGE to include additional real property as Declarant deems appropriate and provides for the overall development, administration, and maintenance of the real property now and hereafter comprising GLENRIDGE. Part of the development plan is the creation of GLEN RIDGE ASSOCIATION, an association comprised of all owners of real property in GLEN RIDGE, to own, operate and/or maintain various common areas and to administer and enforce this Declaration and the other Documents referred to in this Declaration.

1.2 Term. All property described in "EXHIBIT A" and any additional property which is made a part of GLENRIDGE in the future through one or more Supplemental Declarations, shall be owned, conveyed and used subject to all of the provisions of this Declaration, which shall run with the land and title to such property. This Declaration shall be binding upon all Persons having any right, title, or interest in any portion of GLEN RIDGE, their heirs, representatives, successors and assigns. Unless otherwise modified by the Declarant, this Declaration shall remain in effect for a term of twenty (20) years from the date it is Recorded. Declarant, the Association, any Owner and their respective legal representatives, heirs, successors, and assigns may enforce it. After such initial twenty (20) year period, and unless otherwise modified by the Declarant, the Declaration's term shall automatically extend for successive ten year periods unless 75% of the then Owners sign and record an acknowledged instrument which amends this Declaration.

1.3 Documents. GLENRIDGE Documents may be supplemented by additional covenants, restrictions, and easements applicable to the property within GLENRIDGE. In the event of a conflict between or among GLEN RIDGE Documents and any such additional covenants or restrictions, and/or the provisions of any other articles of incorporation, By-Laws, or rules or policies, this Declaration shall control. Declarant must first provide written consent to any amendment to the GLENRIDGE Documents so long as Declarant owns any property described in "EXHIBIT A" of this Declaration (collectively, the "Properties"). Any attempted Recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by Recorded consent signed by Declarant, so long as Declarant owns any property described in "EXHIBIT A". All provisions of GLENRIDGE Documents shall apply to all Owners and to all occupants of all Lots, as well as their respective tenants, guests and invitees. Any lease of a Lot shall provide that

the lessee and all occupants of the leased Lot shall be bound by the terms of GLENRIDGE Documents. If any provision of this Declaration is determined to be invalid, such determination shall not affect the validity of other provisions or applications.

The Declarant, Board and Members shall have the right to respond to unanticipated issues and changes in circumstances, conditions, needs, desires, trends, and technologies which inevitably will affect GLEN RIDGE, and the Lot Owners. This establishes procedures for modifying and expanding the initial Rules and Regulations set forth in "EXHIBIT C". Any modification or expansion of the Rules and Regulations shall be effective whether or not Recorded. Each Owner is charged with determining the scope, terms, and nature of any restrictions, rules, and design guidelines pertaining to GLENRIDGE, whether or not such documents are Recorded, provided such document is adopted pursuant to the terms of this Declaration.

The builder or his agent must disclose that there is a mandatory association and shall provide a summary of the then current association documents specifically including the then current annual assessments and a five (5) year non-binding preliminary rough projection of dues income and association expenses, including amounts preliminarily and roughly projected to be required for reserves. A current summary must be provided to all purchasers at least fifteen (15) days before closing.

4.0 Architecture pre-approval.

4.1 Architectural Review Board. The Architectural Review Board (ARB) shall have jurisdiction over all matters of design review for all property in GLENRIDGE. The Architectural Review Board may, however, delegate some of its powers or responsibilities, with respect to design review for GLENRIDGE to the Association. Until such time as the Architectural Review Board delegates all or a portion of its reserved rights to the Association, the Association shall have no jurisdiction over architectural matters. The Architectural Review Board adopts the Design Review Guidelines as initially set out in "EXHMIT E" which may be amended from time to time. The Declarant, or as many as one to three individual designees of the Declarant, shall act as the Architectural Review Board until the earlier of:

A. The termination of the Class B Control Period; or

B. The Declarant by Recorded instrument assigns oversight of the ARB to the Association.

During the Declarant period architectural review, the Declarant may assign Declarant's duties to between one and three other individuals as Declarant sees fit, in Declarant's sole discretion, to review all ARB applications and perform all ARB duties in absence of Declarant, such as if Declarant's representatives are unavailable and out of office for extended periods of time. In the event that Declarant assigns Declarant's duties to other individuals, such individuals may include representatives of Builders in the GLENRIDGE Addition. In the event that Declarant assigns duties to others, a majority vote of the persons with such authority shall be binding in ARB review matters. The Declarant may also hire outside ARB representatives and charge such expenses as Common Expenses to the Association and Members.

4.2 New Construction. The ARB (and Declarant during the Declarant ARB period) shall have exclusive oversight of all new construction of any extent or nature on any Lot in GLEN RIDGE, including but not limited to modifications, alterations, additions, remodels, renovations, updates, or any such changes to a Lot and the improvements thereon.

4.3 Modifications. The ARB (and Declarant during the Declarant ARB period) shall have exclusive oversight over all modifications, alterations, additions, remodels, renovations, updates, additions, conversions, upgrades, replacements, add-ons, or any such changes to a Lot and the improvements thereon, to existing construction within GLEN RIDGE, including but not limited to all exterior improvements, structures, and any appurtenances thereto or components thereof of every type and kind, including but not limited to buildings, outbuildings, accessory structures, gazebos, trellises, porticos, swimming pools, athletic courts, patios, patio covers, awnings, solar panels, wind turbines, painting or other finish materials on any visible surface, additions, walkways, sprinkler systems, garages, carports, driveways, fences, screening walls, retaining walls, stairs, decks, landscaping, hedges, gardens, windbreaks, plantings, trees, shrubs, flowers, vegetables, sod, gravel, bark, exterior

lighting, poles, sporting features such as but not limited to basketball goals, signs, exterior tanks, exterior air conditioning units, cooling, heating, and water softening equipment, utilities, patios, pavements, etc. (herein "Modifications").

4.4 No Waiver. Each Owner acknowledges that the persons reviewing applications for the ARB (collectively, the "Reviewer") will change from time to time and that opinions on aesthetic matters, as well as interpretation and application of the Declaration or the Design Review Guidelines, may vary accordingly. In addition, each Owner acknowledges that it may not always be possible to identify objectionable features of proposed activity ("Work") within the scope of the terms herein until the Work is completed, in which case it may be necessary to require changes to the improvements involved. Approval of applications for any Work done or proposed shall not be deemed to constitute a waiver of the right of any Reviewer to withhold approval as to any similar applications, or other matters subsequently or additionally submitted for approval.

4.5 Variances. A Reviewer may authorize variances from compliance with any Design Review Guidelines and procedures such as in circumstances where the design meets the intent of the provision sought to be varied and where granting of the variance would enhance design innovation and excellence, or when circumstances such as topography, hardship, or aesthetic or environmental considerations so require.

4.6 Limitation of liability. The standards and procedures established for the ARB do not create any duty to any Person. Review and approval of any application pursuant to the ARB are made on the basis of aesthetic considerations only, and the Declarant, the Architectural Review Board, the Association, the Board, and any committee, or member of any of the foregoing shall not be held liable for any defects in plans revised or approved hereunder, or for any injury, damages, or loss arising out of the manner or quality of approved construction on or modifications to any Lot. In all matters, the Reviewer shall be defended and indemnified by the Association.

4.7 Certificate of Compliance. Any Owner may request that the ARB issue a Certificate of Architectural Compliance certifying that there are no known violations of the Design Review Guidelines or the Declaration. The Association shall either grant or deny such request within 30 days after receipt of a written request and may charge a reasonable administrative fee for issuing such certificates.

4.8 Fees for review. The Association, Board, or ARB may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers, surveyors, attorneys, or other professionals. Declarant, the ARB, or the Association may employ architects, engineers, surveyors, attorneys, or other persons as deemed necessary to perform the review. The Board may include the compensation of such persons as a Common Expense to the members.

4.9 Declarant, Architectural Review Board, and ARB Addresses. As of the date of filing of this Declaration, for purposes of architectural review, Owners and Builders shall submit applications to the following address in the following forms:

DECLARANT, L & S DEVELOPMENT II, LLC, c/o Sassan Moghadam

NORMAN OK 73072

5.1 Maintenance of Lots; Repair and Replacement. Each Owner shall maintain such Owner's Lot, including all landscaping and improvements on each Lot, in a manner consistent with GLENRIDGE Documents. Unless otherwise specifically provided in GLENRIDGE Documents or in other instruments creating and assigning maintenance responsibility, responsibility for maintenance shall include responsibility for repair and replacement, as necessary to maintain the property to a level consistent with GLENRIDGE Documents. Furthermore, by virtue of taking title to a Lot, each Owner covenants and agrees with all other Owners and with the Association to carry property insurance for the full replacement cost of all insurable improvements on such

Owner's Lot. Each Owner further covenants and agrees that in the event of damage to or destruction of structures on or comprising such Owner's Lot, the Owner shall proceed promptly to repair or to replace in a manner consistent with the original construction or such other plans and specifications as are approved by the ARB. Alternatively, the Owner shall clear the Lot and maintain it in a neat and attractive, landscaped condition consistent with GLENRIDGE Documents.

6.0 The Association and its Members.

6.1 Purpose of Association. The Association is the entity responsible for management, maintenance, operation and control of the Common Areas. The Association also is the primary entity responsible for enforcement of GLEN RIDGE Documents. The Association shall perform its functions in accordance with GLENRIDGE Documents and the laws of the State of Oklahoma.

6.2 Membership. Every Lot Owner is a Member of the Association. There is only one membership per Lot. If a Lot is owned by more than one Person, all co-Owners shall share the privileges of such membership, subject to restrictions on voting and in the By-Laws, and all such co-Owners shall be jointly and severally obligated to perform the responsibilities of Owners. The membership rights of an Owner which is not a natural person may be exercised by any officer, director, partner or trustee, or by the individual designated from time to time by the Owner in writing provided to the Association.

6.3 Voting. The Association shall have two classes of membership, Class "A" and Class "B."

A. Class "A". Class "A" Members shall be all Owners except the Class "B" Member, if any. Class "A" Members shall have one equal vote for each Lot in which they hold ownership thereof, except that there shall be only one vote per Lot and no vote shall be exercised for any property which is exempt from assessment, except for those owned by the Declarant.

B. Class "B". The sole Class "B" Member shall be Declarant. The Class "B" Member may appoint members of the Board of Directors during the Class "B" Control Period. The Class "B" membership shall terminate upon the earlier of:

i. the Class "B" member no longer owns any Lot or property in GLENRIDGE, and does not own any such Lot or property through an affiliated entity, and has conveyed all ownership in the Lots and properties in GLENRIDGE to successive unaffiliated Builders and third party consumers;

ii. when, in its discretion, Declarant so determines and declares in a Recorded instrument.

Upon termination of the Class "B" membership, Declarant shall be a Class "A" Member entitled to one Class "A" vote for each Lot which it owns.

C. The vote for each Lot owned by a Class "A" Member shall be exercised by the Member representing the Lot. The Member may cast all such votes as it, in its discretion, deems appropriate. In any situation where a Member is entitled personally to exercise the vote for such Member's Lot, and there is more than one Owner of such Lot, the vote for such Lot shall be exercised as the co-Owners determine among themselves and advise the Association in writing prior to the vote being taken. Absent such advice, the Lot's vote shall be suspended if more than one Person seeks to exercise such vote; however the Lot shall be counted for quorum purposes.

7.0 Association Powers and Responsibilities

7.1 Acceptance and Control of Association Property. The Association, through action of its Board, may acquire, hold, and dispose of tangible and intangible personal property and real property. Declarant and its designees may convey to the Association personal property and fee title, leasehold or other property interests in any real property, improved or unimproved, described in "EXHIBIT A" or "EXHIBIT B". The Association shall accept and maintain such property at its expense for the benefit of its Members, subject to any restrictions

set forth in the deed or other instrument transferring such property to the Association. Upon written request of Declarant, the Association shall re-convey to Declarant any unimproved portions of GLENRIDGE originally conveyed by Declarant to the Association for no consideration, to the extent conveyed by Declarant in error, needed by Declarant to make minor adjustments in property lines, or any other reasonable purpose. The Declarant shall not bear any responsibility for any damages that may be associated with defects in Common Area improvements and construction, to include but not be limited to property damage, personal injury, loss of income, death, loss of use, loss of value, adverse health effects, or any other effects. Any implied warranties, including an implied warranty of workmanlike construction, an implied warranty of habitability, or an implied warranty of fitness for a particular use, are hereby waived and disclaimed.

7.2 Maintenance of Common Areas. The Association shall maintain, in accordance with GLENRIDGE Documents, the Common Areas, such as shown on attached "EXHIBIT B and which additionally may include, but need not be limited to:

A. All portions of and structures situated upon the Common Areas, including but not limited to entryway signage, improvements and landscaping, lighting, surveillance systems, utilities serving the private Association improvements, and any additional Common Area facilities that Declarant or Association chooses to add to the Common Areas;

B. Landscaping within public rights-of-way within or abutting GLENRIDGE::;

C. The private streets and sidewalks and all improvements as associated with the private street network and gated entryways;

D. Such portions of any additional property included within the Common Area as may be dictated by this Declaration, any Supplemental Declaration, or any contract or agreement for maintenance thereof entered into by the Declarant or Association;

E. All areas located within GLEN RIDGE which serve as part of the storm water drainage system for GLENRIDGE, including improvements and equipment installed therein or used in connection therewith; provided, neither Declarant, the Architectural Review Board, nor the Association shall have any liability for damage or injury caused by flooding or surface runoff resulting from rainfall or other natural occurrences; and

F. Any property and facilities owned by Declarant and made available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and its Members, such property and facilities to be identified by written notice from Declarant to the Association and to remain a part of the Common Area and be maintained by the Association until such time as Declarant revokes such privilege of use and enjoyment by written notice to the Association.

The Association shall have the right to enter upon, for the purpose of maintaining, and may maintain other property which it does not own, including, without limitation, property dedicated to the public, if the Board determines that such maintenance is necessary or desirable to maintain GLENRIDGE Documents. The costs associated with maintenance, repair, and replacement of the Common Area shall be a Common Expense. Furthermore, in the event of dissolution of the Association, the Board shall determine the means of disposition of the common elements under ownership by the Association.

Except as provided above, the Common Area shall not be reduced by amendment of this Declaration or any other means except with the prior written approval of Declarant as long as Declarant owns any property described in "EXHIBIT A" or "EXHIBIT B of this Declaration.

If the Association fails to maintain any Common Area that results in a City of Norman code violation, the City of Norman shall have the right, but not obligation, to perform corrective maintenance, after serving the Association with thirty (30) days written notice and an opportunity to cure. The costs of said abatement are the responsibility of the Association and if such costs are not promptly paid, the City of Norman shall have the right to enforce such collection by all remedies available to the City of Norman at law or in equity.

7.3 Insurance. The Association may maintain insurance policies as the Board, in its discretion, determines advisable. The Association shall maintain general liability insurance that names Declarant as an additional

insured, and that covers as against all liability claims that arise out of any acts or omissions alleged against the Declarant, the Association, the Board, the ARB, or the officers and directors of the Board.

7.4 Compliance and Enforcement. Every Owner and occupant of a Lot shall comply with GLENRIDGE Documents. The Board may impose sanctions as specific assessments for violation of GLENRIDGE Documents after notice and a hearing in accordance with the procedures set forth in the By-Laws. Such sanctions may include, but are not limited to:

- A. reasonable monetary fines which shall constitute a lien upon the violator's Lot;
- B. suspending an Owner's right to vote in all matters;
- C. suspending any Owner's right to use any facilities that are Common Area;
- D. suspending any services provided by the Association to an Owner if the Owner is more than thirty days delinquent in paying any assessment or other amount owed to the Association;
- E. exercising self-help or taking action to abate any violation of GLENRIDGE Documents in a non-emergency situation;
- F. requiring an Owner, at the Owner's expense, to remove any structure or improvement on such Owner's Lot in violation of the Documents and to restore the Lot to its previous condition and, upon failure of the Owner to do so, the Board or its designee shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as previously existed;
- G. without liability to any Person, prohibiting any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the GLENRIDGE Documents from continuing or performing any further activities in GLEN RIDGE; and
- H. levying Specific Assessments to cover costs incurred by the Association to bring a Lot into compliance with GLENRIDGE Documents.

In addition, the Board may take the following enforcement procedures to ensure compliance with GLENRIDGE Documents: exercising self-help in any emergency situation; and bringing suit at law or in equity to enjoin any violation or to recover monetary damages or both. All remedies set forth in GLENRIDGE Documents shall be cumulative of any remedies available at law or in equity. In any action to enforce GLENRIDGE Documents, if the Association prevails, it shall be entitled to recover all costs, including, without limitation, attorney's fees and court costs, reasonably incurred in such action.

In addition to any other enforcement rights, if an Owner fails properly to perform such Owner's maintenance responsibility, the Association may Record a notice of violation against the Owner's Lot or perform such maintenance responsibilities and assess all costs incurred by the Association against the Lot and the Owner. The Association shall provide the Owner with reasonable notice and an opportunity to cure the problem prior to taking such enforcement action, except in an emergency situation as determined by the Board.

The Association shall not be obligated to take any particular action. Any such lack of action shall not be construed a waiver of the right of the Association to enforce such provision at a later time under other circumstances or estop the Association from enforcing any other covenant or rule. The Association may, but shall not be obligated to, enforce applicable city and county ordinances, and may, but shall not be obligated to, permit the City of Norman to enforce ordinances within GLENRIDGE Properties for the benefit of the Association and its Members.

7.5 Authority. The Association may exercise any right or privilege expressly or impliedly given to the Association by GLENRIDGE Documents. Except as otherwise specifically provided in GLENRIDGE Documents, or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

7.6 Indemnification of Officers, Directors and Others. Subject to Oklahoma law, the Association shall indemnify the Declarant, and every officer, director, and committee member, including the Architectural Review Board, against all damages and expenses, including legal fees, reasonably incurred in connection with any claim,

action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member. The officers, directors, and committee members shall not be liable for any negligence, except for their own individual gross negligence or intentional torts. The officers and directors shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association). The Association shall indemnify and hold harmless each such Declarant, officer, director, and committee member from any and all liability to others on account of any such contract commitment, or action. The Association shall, as a Common Expense, maintain adequate general liability and officers/directors liability insurance per this obligation.

7.7 Provision of Services. The Board may enter into and terminate contracts or agreements with other entities, including Declarant, to provide services to and facilities for the Members and their guests, lessees and invitees; the Board may charge use and consumption fees for such services and facilities.

7.8 Association's Responsibility with Respect to Transfer of lots. Subsequent to the Class "B" Control Period and if required by law, the Association shall furnish to the purchaser of a Lot, after receipt of notice of a pending sale of the Lot, a copy of the Documents, if not otherwise received by the purchaser in connection with such sale and the Association may charge a fee to cover the costs the Association incurs in providing such.

8.0 Assessments.

8.1 Initial Assessment. Prior to the invoicing of assessments, the Board may prepare a budget of the estimated Common Expenses for the coming year. The Association is hereby authorized to levy Base Assessments, pursuant to an initial amount of \$400, per year, against all Lots subject to assessment to fund the Common Expenses. The Board shall send a copy of any prepared budget, together with notice of the amount of the Base Assessment to be levied, to each Owner. The Board may revise a budget and adjust the Base Assessment from time to time during the year. The Board may prepare and review at least annually reserve budgets. The budgets may take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost.

The Declarant shall provide a list of all of the Common Area capital components and their roughly estimated initial construction cost to the Association, and a statement from the Declarant's engineer or architect indicating the roughly estimated useful life of each such element. The Association shall maintain an annual "reserve assessment" equal to the initial cost of each component divided by the estimated number of years that each component is roughly estimated to remain useful, i.e. a ten thousand dollars (\$10,000.00) component with a useful life of ten years would require that \$1,000 be included in each annual budget, divided equally by the number of members in the Association.

8.2 Special Assessments. In addition to other authorized Base Assessments, the Association may levy Special Assessments to cover unbudgeted expenses or expenses in excess of amounts budgeted, including but not limited to any cost and expense related to indemnification of the Declarant. Any such Special Assessment may be levied against the entire membership. Except as otherwise specifically provided in this Declaration, any Special Assessment shall require the affirmative vote or written consent of Members representing more than 50% of the total votes allocated to Lots which will be subject to such Special Assessment, and the affirmative vote or written consent of the Class "B" Member, if such exists. Special Assessments shall be payable in such manner and at such times as determined by the Board.

8.3 Specific Assessments. The Association shall have the power to levy Specific Assessments against any particular Lot to cover the costs, including overhead and administrative costs, of providing services to a Lot upon request of an Owner, or to cover costs incurred in bringing a Lot into compliance with GLEN RIDGE Documents, or costs incurred as a consequence of the conduct of the Owner or occupants of a Lot, their agents, contractors, employees, licensees, invitees, or guests; provided, the Board shall give the Lot Owner prior written notice and an opportunity for a hearing, in accordance with the Bylaws, before levying any Specific Assessment.

8.4 Authority To Assess Owners; Time of Payment. Declarant hereby establishes and the Association is hereby authorized to levy assessments as provided for in the GLENRIDGE Documents. The obligation to pay assessments shall commence on a date determined in the sole discretion of the Declarant. Assessments shall be paid in such manner and on such dates as the Board may establish. The Board may require advance payment of assessments at the closing of the transfer of title to a Lot and impose special requirements for Owners with a history of delinquent payment. Unless the Board otherwise provides, the Base Assessment shall be due and payable in advance on the first day of each fiscal year.

8.5 Obligation for Assessments.

Each Owner, by Accepting a deed or entering into a Recorded contract of sale for any portion of GLENRIDGE, is deemed to covenant and agree to pay all assessments authorized in GLENRIDGE Documents. All assessments, together with interest (computed from its due date at a rate of 10% per annum or such higher rate as the Board may establish, subject to the limitations of Oklahoma law), late charges as determined by Board resolution, costs, and reasonable attorneys' fees, shall be the personal obligation of each Owner and a lien upon each Lot until paid in full. Upon a transfer of title to a Lot, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance.

Failure of the Board to fix assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay Base Assessments on the same basis as during the last year for which an assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

No Owner may exempt themselves from liability for assessments by non-use of Common Area, abandonment of a Lot, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association to take some action or perform some function required of it.

The Association shall, upon written request from an Owner, Mortgagee, or other Person designated by the Owner, furnish a certificate, signed by an officer of the Association stating whether assessments for such Owner's Lot have been paid and any delinquent amount. Such certificate shall be binding upon the Association, the Board, and the Owners. The Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

8.6 Lien for Assessments. All assessments and other charges of the Association authorized in this Declaration shall constitute a lien against the Lot against which they are levied from the time such assessments or charges become delinquent until paid. The lien shall also secure payment of interest (subject to the limitations of Oklahoma law), late charges (subject to the limitations of Oklahoma law), and costs of collection (including attorneys' fees, lien fees and administrative costs). Such lien shall be superior to all other liens, except those deemed by Oklahoma law to be superior. The Association may enforce such lien, when any assessment or other charge is delinquent, by lawsuit, judgment, and foreclosure. The sale or transfer of any Lot shall not affect the assessment lien or relieve such Lot from the lien for any subsequent assessments. However, the sale or transfer of any Lot pursuant to foreclosure of the first Mortgage shall extinguish the lien as to any installments of such assessments due prior to the Mortgagee's foreclosure.

8.7 Exempt Property. Notwithstanding any provision to the contrary in the Documents, the following property shall be exempt from payment of Base Assessments, and Special Assessments:

A. All Common Area and such portions of the property owned by Declarant as are included in the Common Area;

B. All property held by the Declarant or its affiliated entities. The Declarant and its affiliated entities shall also be exempt from all assessments, Special Assessments, Specific Assessments, and any other charges or fines.

C. All Lots owned by an approved Builder in the GLENRIDGE Addition so long as such Builder is an approved Builder and only for so long as up to a maximum of one year during such time as the Builder has acquired title to a Lot from the Declarant and Builder is in the process of constructing ARB approved improvements to the Lot. The exemption for each Builder automatically expires one year after the Builder takes title to the Lot. Each Builder shall have up to twelve months to complete construction of the dwelling on the Lot.

Declarant may transfer or assign the right to annex property to any Person who is a purchaser of any portion of the real property described in "**EXHIBIT A**". Nothing in this Declaration shall be construed to require Declarant or any successor to subject additional property to this Declaration.

9.2 Additional Covenants and Easements. Declarant may subject any portion of GLENRIDGE to additional covenants and easements, including covenants obligating the Association to maintain and insure such property and authorizing the Association to recover its costs through assessments. Such additional covenants and easements may be set forth either in a Supplemental Declaration subjecting such property to this Declaration or in a separate Supplemental Declaration referencing property previously subjected to this Declaration. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property in order to reflect the different character and intended use of such property. A Supplemental Declaration shall be effective upon Recording unless otherwise specified in such Supplemental Declaration.

10.3 No Protest. Declarant and its employees, agents and designees shall have a right of access and use and an easement over and upon all of the Common Area for the purpose of making, constructing and installing such improvements to the Common Area as it deems appropriate in its sole discretion. No Association funds shall be used to challenge, protest, object to, or otherwise interfere with the Declarant's development activities in GLENRIDGE or in properties nearby to GLENRIDGE.

10.4 Right To Approve Changes in Standards. No amendment to or modification of any Rules and Regulations shall be effective without prior notice to and the written approval of Declarant so long as Declarant owns property FOUNTIAN VIEW.

10.5 Right To Transfer or Assign Declarant Rights. Any or all of the special rights and obligations of Declarant set forth in this Declaration or the By-Laws may be transferred in whole or in part to other Persons. No such transfer or assignment shall be effective unless it is in a written instrument signed by Declarant. The foregoing sentence shall not preclude Declarant from permitting other Persons to exercise, on a one time or

limited basis, any right reserved to Declarant in this Declaration where Declarant does not intend to transfer such right in its entirety.

10.6 Exclusive Rights To Use Name of Development. No Person shall use the name "GLENRIDGE" or any derivative of such name in any printed, electronic, or promotional material without Declarant's prior written consent. However, Owners may use the name "GLENRIDGE" in printed matters where such term is used solely to specify that Owner's property is located at GLENRIDGE and the Association shall be entitled to use the word "GLENRIDGE" in its name.

the Declarant is still the title owner of such real property being condemned. If the taking or conveyance involves a portion of the Common Area on which improvements have been constructed, the Association shall restore or replace such improvements on the remaining land included in the Common Area to the extent available, unless within 60 days after such taking, Declarant, so long as Declarant owns any property subject to the Declaration, or Members representing at least 75% of the total Class "A" vote of the Association shall otherwise agree.

14.2 Transfer or Dedication of Common Area. The Association may dedicate portions of the Common Area to any local, state, or federal governmental or quasi governmental entity, or to any utility franchise holder, subject to prior approval of the Declarant during the Class "B" Control Period.

In addition to specific amendment rights granted elsewhere in this Declaration and without restriction by any term within this Declaration, until termination of the Class "B" membership, Declarant may unilaterally amend this Declaration for any purpose and at any time, including during restrictive periods. Thereafter, Declarant may unilaterally amend this Declaration if such amendment is necessary:

- A. to bring any provision into compliance with any applicable governmental statute, rule, regulation, or judicial determination;
- B. to enable any reputable title insurance company to issue title insurance coverage on the Lots;
- C. to enable any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee mortgage loans on the Lots; or
- D. to satisfy the requirements of any local, state or federal governmental agency.

15.2 By Class "A" Members. Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended only by the affirmative vote or written acknowledged consent, or any combination thereof, of Members representing at least 75% of the total Class "A" votes in the Association, including 75% of the Class "A" votes held by Members other than Declarant, and the consent of Declarant, so long as Declarant owns any property subject to this Declaration. Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

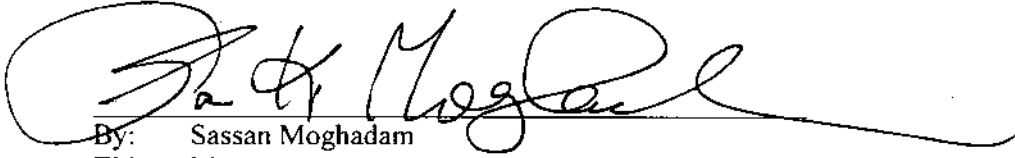

15.3 Validity and Effective Date. No amendment may remove, revoke, or modify any right or privilege of Declarant or the Class "B" Member without the written consent of Declarant or the Class "B" Member, respectively (or the assignee of such right or privilege). Any amendment shall become effective upon Recording, unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within six months of its Recordation or such amendment shall be presumed to have been validly adopted. DESIGN REVIEW GUIDELINES

1.0 INTRODUCTION

1.1 Purpose.

GLENRIDGE is a single family residential community comprising real property within the City of Norman, Cleveland County, State of Oklahoma. The purpose of the GLENRIDGE development is to provide a high quality, aesthetically pleasing residential community, while preserving the natural beauty of the area and enhancing the value of each Owner's investment. These Design Review Guidelines are not intended to be a complete list of all criteria that must be satisfied in connection with construction of improvements. Compliance with these guidelines does not assure approval of any particular designs. Declarant, or ARB as the case may be, reserves the right to approve particular designs which vary from these guidelines.

These architectural guidelines are a mechanism for maintaining and enhancing the overall aesthetics of GLENRIDGE; they do not create any duty to any person. Review and approval of any designs may be based on aesthetic considerations only. Declarant, GLENRIDGE Property Owners Association, or the ARB shall not bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, for ensuring compliance with building codes and other governmental requirements, or for ensuring that every structure is of comparable quality, value, or size, of similar design, or aesthetically pleasing or otherwise acceptable to other owners of property in GLENRIDGE. Declarant makes no warranty, express or implied, that the information or guidelines contained herein are suitable for any particular use, and hereby disclaims any liability in connection with the use of this information.

1.2. Scope. The Design Review Guidelines and Architectural Review Board oversight apply to all Modifications, as defined in the Declaration. Modifications include new construction and the alteration of existing construction and Lots. The ARB is not responsible for notice of or ensuring compliance with building codes, structural details, local, state, federal law, or environmental agency compliance. The ARB is not

responsible and shall bear no liability for the accuracy of drawings and techniques of construction. The ARB shall bear no liability and is not responsible for workmanship, safety, or quality of construction.

1.3. Amendments. The Architectural Review Board may amend, cancel, add to, modify, or otherwise change these Design Review Guidelines from time to time as necessary in the ARB's sole discretion. The ARB shall send notice of any changes by mail to all Owners prior to implementation of any new design guideline. Such mailing, or failure thereof, shall not relieve each Owner of their obligation to determine applicable design guidelines prior to making any Modification.

2.0 DESIGN REVIEW PROCEDURES

2.1. Applicability. The Design Review Guidelines apply to all new construction and Modifications, and to all changes, improvements, additions, alterations, placements, decorations, remodels, and enhancements, of any nature or type to any part of any Lot in the GLENRIDGE Addition. Every Owner and Builder on any lot in the GLENRIDGE Addition, agrees that the Declarant, Association, or ARB may contact the City of Norman Planning Department and inform the City as to whether the ARB has approved of any plans for construction under building permit review and may advise the City of Norman to withhold building permit, or certificate of occupancy issuance until the ARB approval has been granted first.

2.2. Architectural Review Board. Oversight of the DRG is vested in the Architectural Review Board, unless otherwise delegated or assigned to an ARB. The ARB shall upon initial formation consist of the Declarant, and the Declarant shall have sole authority as to all decisions of the ARB for so long as the Declarant owns Lots in GLENRIDGE Addition. Thereafter, the ARB shall consist of at least three and no more than five persons appointed by and serving at the Board's discretion. Members of the ARB may include architects or similar professionals who are not Owners. The ARB may adopt detailed application and review procedures and design standards consistent with the Declaration. All new construction and Modifications shall take place in strict compliance with the Declaration, the Design Review Guidelines, and the application and review procedures promulgated by the ARB. The ARB may establish a review fee schedule applicable to the oversight of administering the DRG.

2.3. Review Standards. As provided in the Documents, the ARB may approve any new construction or Modification only if it deems, in its discretion, that new construction and Modifications conform to and harmonize with the existing surroundings, residences, landscaping, and structures, and meets the requirements for such new construction and Modifications found in the Documents, Design Review Guidelines, and procedures promulgated by the ARB. Design decisions are not based on personal opinion or taste. Judgments of acceptable design are based on the following aspects:

A. Compliance with Documents. All applications are reviewed to confirm that the proposed new construction or Modification is in conformance with the Documents.

B. Relation to Surroundings. All applications are reviewed to confirm that the proposed new construction or Modification is compatible and appropriate with the surrounding built environment.

C. Location and Impact on Neighbors. All applications are reviewed to confirm that the proposed new construction or Modification corresponds favorably to the landscape, the existing structures on the Lot and in the vicinity. Some of the issues of concern are access, drainage, sunlight, views, and ventilation. When new construction or Modification has particular impact upon Lots in the vicinity, the ARB may require the applicant to discuss the proposal with Lot Owners in the vicinity prior to the ARB making a decision on the application. The ARB may also require the submittal of comments from Lot Owners in the vicinity.

D. Scale. All applications are reviewed to confirm that the proposed new construction or Modification relates well to the size and mass of existing structures on Lots in the vicinity.

E. Materials. All applications are reviewed to confirm that the proposed new construction or Modification utilizes materials and colors of the same or compatible nature as were used on existing structures on the Lot or on Lots in the vicinity.

F. Workmanship. All applications are reviewed to confirm that the proposed new construction or Modification would entail workmanship of an equal or better quality than that represented on existing structures on the Lot or on Lots in the vicinity.

G. Timing. All applications are reviewed to confirm that the proposed new construction or Modification may be completed in a timely manner, whether an Owner performs such work themselves or contracts the work to be done.

2.4 Review Process for New Construction and Modifications.

PRIOR TO COMMENCING ANY NEW CONSTRUCTION OR MODIFICATIONS, AN OWNER SHALL SUBMIT TO THE ARB TWO FULL SETS AND COPIES OF AN APPLICATION, AND ALL REQUIREMENTS AND DOCUMENTS THERETO, FOR APPROVAL IN SUCH FORM AS THE ARB SHALL REQUIRE. AN ACCEPTABLE APPLICATION APPEARS AT EXHIBIT A HERETO. SUCH APPLICATION SHALL INCLUDE PLANS AND SPECIFICATIONS ("PLANS") SHOWING SITE LAYOUT, GENERAL STRUCTURAL DESIGN, EXTERIOR ELEVATIONS, EXTERIOR MATERIALS AND COLORS, LANDSCAPING, DRAINAGE, IRRIGATION, AND OTHER FEATURES OF PROPOSED CONSTRUCTION, AS APPLICABLE, TO THE EXTENT THE OWNER OR BUILDER HAS SUCH INFORMATION AT THE TIME OF SUBMITTAL. IF SUCH INFORMATION IS NOT AVAILABLE, THEN OWNER OR BUILDER WILL PROVIDE TO ARB AT EARLIEST OPPORTUNITY FOR REVIEW PRIOR TO BEING INSTALLED ON THE LOT. THE ARB MAY REQUIRE THE SUBMISSION OF SUCH ADDITIONAL INFORMATION AS MAYBE REASONABLY NECESSARY TO CONSIDER ANY APPLICATION.

In reviewing each submission the ARB will consider the application based on the Review Standards above. Decisions may be based on purely aesthetic considerations. Each Owner acknowledges that determinations as to such matters are purely subjective and opinions may vary.

Within fifteen (15) days after receipt of a completed application and all required information, the ARB shall respond in writing to the applicant at the address specified in the application. The ARB may, but shall not be obligated to, specify the reasons for any objections and/or offer suggestions for curing any objections.

In the event that the ARB fails to respond to a properly submitted application in a timely manner, approval shall be deemed to have been given, subject to Declarant's right to veto approval by the ARB pursuant to this Section.

The ARB shall notify Declarant, so long as Declarant owns any Lots in GLENRIDGE ADDITION in writing within five (5) business days after the ARB has received any application relating to proposed Modifications. The notice shall be accompanied by a copy of the application and any additional information which the Architectural Review Board may require. Declarant, so long as Declarant owns any Lots in GLENRIDGE Addition shall have ten (10) days after receipt of such notice to provide response to ARB.

If construction does not commence on a new construction or Modifications project for which plans have been approved within one year after the date of approval, such approval shall be deemed void and the Owner shall reapply for approval before commencing the proposed Modifications. All new construction or Modifications shall be completed within one year after commencement. Any new construction or Modifications not completed within the required time shall be considered nonconforming and shall be subject to enforcement action by the ARB, the Association, Declarant or any aggrieved Owner.

No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. Any Owner may remodel, paint or redecorate the interior of a Lot without approval provided such alterations do not affect the aesthetics of the exterior of the Lot as they appear prior to the alteration. Modifications to the interior of screened porches, patios, and similar portions of a Lot visible from outside the structure shall be subject to approval. The requirements of the ARB and Design Review Guidelines shall not apply to the activities of Declarant for so long as Declarant owns any Lots in GLENRIDGE addition.

5.0 Landscaping Standards

5.1. Overview. The ARB retains oversight of landscaping improvements to Lots to make assurance that the GLENRIDGE community will continue to be an attractive and pleasant place to reside. The landscape plan will be required for review at the same time the initial site plan is reviewed. The landscaping work shall be completed within nine (9) months of start of vertical construction or within two (2) months of the issuance of the Certificate of Occupancy for the improvements.

5.2. Criteria. All Lots, after construction, require landscaping. All landscaping shall be prepared and submitted for ARB review by a professional supplier of landscaping or landscape designer. Landscaping shall be designed in a manner to accentuate the high-end appearance of the GLENRIDGE Addition and shall be installed in substantial amounts on each Lot, all subject to ARB review, including review of the quality and quantity of landscaping to determine if the quality and quantity provided are sufficient for the GLENRIDGE Addition. Landscaping should be provided in an amount not less than \$2,500, exclusive of costs of sod and irrigation, as purchased from a landscape provider in the local market. The required threshold amount of \$2,500 may be annually increased by the Developer or ARB in an amount to account for inflationary increases over time.

Screening landscaping shall be placed additionally at all locations of exterior HVAC equipment, electrical equipment, telephone, electric, and other installations. Landscaping shall not interfere with drainage across and through the Lots. Drought tolerant species are encouraged for conservation of water and better life expectancy of landscaping in drought conditions. Landscaping should not be placed in any manner that inhibits vehicular sight lines and travel through the GLENRIDGE Addition. All front must be sodded and irrigated with a sod material approved by the ARB. No gravel or other non-vegetated material shall be used as the primary surface material for the front or side yard lawns, or in any location that can be seen from the front street right of way.

5.3 Landscaping Plans to Submit for Review.

A. Landscaping. The landscaping plan must be professionally prepared on a site plan indicating topography, existing and proposed vegetation. The plan should graphically illustrate location, Lot number, adjoining Lot border lines, nearest structure lines on adjoining Lots, sizes of plant material, lawn, mulched areas, and open areas. A schedule must be included on the planting plan indicating the following specifications for each plant: common name, plant height at time of planting, plant quantities, identify grass and mulched areas.

B. Identify Trees. Existing trees 60" diameter or greater at 48" from the ground must be identified as to exact location, size of trunk, and species name. No existing trees shall be cut, removed, transplanted or damaged without approval by ARB.

C. Features and Surface. All existing site features such as roads, walks, structures on adjoining Lots, bike paths, walls, retaining walls, etc. are to be graphically noted on the landscape site plan. All surfacing materials are to be noted (as to whether they are concrete, grass, planting beds, etc.). Texturing or other surface treatment of concrete paving is to be indicated and should include color selections.

D. Tree and Bush Requirement. Trees and shrubs must be planted in accordance with the approved plan. Prior to occupancy for new construction, one (1) tree, no less than three (3) inches in caliper diameter shall be planted within the front yard a distance far enough away from the primary structures so as to not damage the structures at full maturity, and shall be of a species as approved by the ARB. Corner Lots shall plant two (2) trees no less than three (3) inches in caliper diameter in same manner. No Bradford Pear trees or any other tree to be considered a nuisance species tree shall be allowed for planting on any Lot. In addition to the required number of trees, each Lot shall feature a reasonable number of bushes to be planted in appropriate locations. Should any tree fail to survive, the Owner shall be required to replace such tree. The "front yard" as it is referred to in regards to landscaping requirements shall be considered all areas of the Lot that are from the street frontage right of way extending back to the rear side corners of the main dwelling structure.

5.4 Irrigation. Each Lot shall be irrigated by a subsurface irrigation system. Should any Lot have any form of irrigation system installed to irrigate planting beds or grassed areas of the Lot, the spray from such irrigation system should be contained to the Lot.
